The Harvard (author-date) system is comprised of 2 elements: an in-text citation and a bibliography at the end of the document. In the text of an assignment ideas taken from other people are indicated by placing the author's surname and the date of publication in brackets, for example (Joyner, 2013).

Library Trustees — State Library of Iowa

Committee work is a good place for board members to offer any special expertise and to learn more about the library. The purpose of creating a committee is to extend the capabilities of the board. Committees are not autonomous groups with loose connections to the board, but rather extensions of the board and always responsible to the full board.

Committees — State Library of Iowa

When there are Faculty Handbook revisions, the complete revised Faculty Handbook will be published once between June 1 and July 1 annually. No revisions or edits will be published at any other time during the academic year or go into effect except on the July 1 effective date, unless otherwise noted and approved by the Board of Trustees.
