Delusion is an epic tragedy filled with fascinating characters and a keen reflection on the antagonisms and beliefs that divided the nation during those tumultuous years.

Wartime Dissent in America tells the story of U.S. wartime dissent by exploring

the speeches,  
pamphlets and essays  
of war opponents in  
every major American  
war since the  
Revolutionary War.  
This history and

Far more than an

Vietnam splintered  
the nation; and the

Here, Gunn shows

Churchill delivered  
his Iron Curtain

Tracing the

influence on  
American religion,

way of looking at how  
public faith has been  
transformed by world  
events and the U.S.'s

Covering topics such

in the United States.

The post-WWII  
backlash to events  
occurring around the
