The Truth About Managing
People offers real solutions
for the make-or-break
problems faced by every
manager. Readers will
discover: how to overcome
the true obstacles to
teamwork; why too much
communication can be as
dangerous as too little; how
to improve hiring and
employee evaluations; how to

someone's opinion; it's a
definitive, evidence-based
guide to effective
management: a set of bedrock
principles to rely on
throughout an entire
management career. The Rules
of Management: They're
surprisingly easy to learn
and live by. Now, Richard
Templar's brought them all
together in one place.
Templar covers everything
from setting realistic
targets to holding effective
meetings; finding the right

more than you (even if they don't) -- and recognize when they really do The first edition of The Rules of Management became a global phenomenon, topping bestseller charts around the world. This new, even better edition contains 10 brand new rules to take you further, faster. In Wired to Care, top business strategist Dev Patnaik tells the story of how organizations of all kinds prosper when they tap into a power each of us already has: empathy, the ability to reach outside of ourselves and connect with other people. When people inside a company develop a shared

more rational. Indian national code IS:800 for the design of steel structures was revised in the year 2007 incorporating limit state method. This book is aimed at training the students in using IS: 800 2007 for designing steel structures by limit state method. The author has explained the provisions of code in simple language and illustrated the design procedure with a large number of problems. It is hoped that all universities will soon adopt design of steel structures as per IS: 2007 and this book will serve as a good textbook. A sincere effort has been made to present
