How best to treat women in our prisons and jails is a new and significant concern for U.S. policymakers. The number of women incarcerated in the U.S. has increased greatly in the last two decades. Many of these women are young, 80% are mothers, and up to 80% of the women offenders in some State prison systems now have severe, long-standing substance abuse problems. These addicted women can be helped through comprehensive programs designed specifically for women, treating the factors associated with women's substance abuse. Chapters: Setting the State for Treatment; Designing Treatment Programs; Stages of Treatment Planning; Summaries of Programs; References; and Resource List. Charts and tables.

Emotional Core Therapy for Adolescents is a book that was written to help teens gain emotional power and balance. This book is unique in that it utilizes five easy steps to learn how to stay emotionally balanced. The book helps teens identify and process the four authentic feelings of joy, grief, fear, and relief. The book uses teen friendly language and scenes to help them learn how to process debilitating feelings of fear and loss. Anger, addiction, and teen romance are topics covered in this book.
