A memoir by the mustachioed baseball pitcher who went playing rocky, trash-ridden fields in Castro ' s Cuba to becoming a Boston Red Sox legend. Luis Tiant is one of the most charismatic and accomplished players in Boston Red Sox and Major League Baseball history. With a barrel-chested physique and a Fu Manchu mustache, Tiant may not have looked like the lean, sculpted aces he usually played against, but nobody was a tougher competitor on the diamond, and few were as successful. There may be no more qualified twentieth-century pitcher not yet enshrined in the National Baseball Hall of Fame. His big-league dreams came at a price: racism in the Deep South and the Boston suburbs, and nearly fifteen years separated from a family held captive in Castro ' s Cuba. But baseball also delivered World Series stardom and a heroic return to his island home after close to a half-century of forced exile. The man whose name— “ El Tiante ” —became a Fenway Park battle cry has never fully shared his tale in his own words, until now. In Son of Havana, Tiant puts his heart on his sleeve and describes his road from torn-up fields in Havana to the pristine lawns of major league ballparks. Readers will share Tiant ' s pride when appeals by a pair of US senators to baseball-fanatic Castro secure freedom for Luis ' s parents to fly to Boston and witness the 1975 World Series glory of their child. And readers will join the big-league ballplayers for their spring 2016 exhibition game in Havana, when Tiant—a living link to the earliest, scariest days of the Castro regime—threw out the first pitch.

The Untouchable Tree is about our connection to the magnificence, the transcendence, and the essential nature of trees. Throughout human history, they have served as shelter and as symbol. And today, more than ever, our destiny is tied to theirs. The books weaves together prose, poetry, and art in a unique exploration of our relationship with these plants, from the billowy yet delicate black cherry to the majestic white oak. Each painting subtly points to a range of historical mythological symbols, reminding us of the "untouchable," the sacred, within each of us.
