V I Warshawski made her stunning debut twenty-five years ago in Indemnity Only -- this is the second V I novel, newly available from Hodder paperbacks.

V.I.'s battlaxe Aunt Rosa is under investigation by the FBI and SEC after counterfeit stock certificates were found at St. Albert's Priory, where she serves as treasurer. As malicious as her aunt is, V.I. knows she's not dishonest, so V.I. vows to protect her from taking the fall. But V.I. starts questioning the strength of her family ties when a menacing voice on the phone threatens to throw acid into her eyes if she doesn't butt out. The stakes are high as she begins to sniff out a connection between Chicago's most powerful institutions: the Church and the Mob.

V. I. Warshawski explores secrets and betrayals that stretch across four generations in this New York Times bestselling novel from one of the most compelling writers in American crime fiction... " A thoughtful, high-tension mystery. " —The Washington Post Book World " A genuinely exciting and disturbing thriller. " —Chicago Tribune As a favor to her most important client, V. I. agrees to check up on an empty mansion. But instead of a mysterious intruder she discovers a dead man in the ornamental pond—a reporter for an African-American publication whom the suburban cops are quick to dismiss as a suicide. When the man ' s shattered family hires V. I. to investigate, she is sucked into a Gothic tale of sex, money, and power, leading her back to McCarthy-era blacklists and forward to some of the darker aspects of the Patriot Act. As V. I. finds herself penned in to a smaller and smaller space by an array of people trying to silence her, and before she can untangle the sordid truth, two more people will die—and V.I. ' s own life will hang in the balance.

A strange crime gets V.I. Warshawski involved with some of Chicago ' s most rich and powerful players in this thriller from New York Times bestselling author Sara Paretsky. When a group of Chicago teens holds a ritual in an abandoned cemetery, they stumble on an actual corpse—stabbed through the heart in a vampire-style slaying. V.I. Warshawki arrives on the scene to escort the girls home — but protecting them places her at the tangled center of the investigation. And the girls include daughters of some of Chicago ' s most powerful families: the grandfather of one, Chaim Salanter, is among the world ' s wealthiest men; the mother of another, Sophy Durango, is running for the United States Senate. For V.I., the questions multiply faster than the answers. Is the killing linked to a hostile media campaign against Durango—or to Salanter ' s childhood in Nazi-occupied Lithuania? As V.I. struggles to find an answer, she finds herself fighting enemies who are no less terrifying for being all too human.

The 30th anniversary edition of the first V. I. Warshawski novel, Indemnity Only, featuring a new afterword from Sara Paretsky Meeting an anonymous client late on a sizzling summer night is asking for trouble. But trouble is Chicago private eye V. I. Warshawski ' s specialty. Her client says he ' s the prominent banker John Thayer. Turns out he ' s not. He says his son ' s girlfriend, Anita Hill, is missing. Turns out that ' s not her real name. V. I. ' s search turns up someone soon enough—the real John Thayer ' s son, and he ' s dead. Who ' s V. I. ' s client? Why has she been set up and sent out on a wild-goose chase? By the time she ' s got it figured, things are hotter—and deadlier—than Chicago in July. V. I. ' s in a desperate race against time. At stake: a young woman ' s life.

Vic Warshawski agrees to investigate the paternity of Caroline Djjak, whose mother, Louisa, is dying. Following some leads, Vic visits Louisa's old workplace, the Xerxes Chemical Plant. What she finds is corruption and cruelty on a horrifying scale, where profit has more value than human life.

Someone knocking on the door at 3 A.M. is never good news. For V.I. Warshawski, the bad news arrives in the form of her wacky, unwelcome aunt Elena. The fire that has just burned down a sleazy SRO hotel has brought Elena to V.I.'s doorstep. Uncovering an arsonist -- and the secrets hidden behind Elena's boozey smile -- will send V.I. into the seedy world of Chicago's homeless... into the Windy City's backroom deals and bedroom politics, where new schemers and old cronies team up to get V.I. off the case -- by hook, by crook, or by homicide.

Stubbornness has landed private eye V.I. Warshawski in big trouble at her Chicago office. With her grand old Loop building set to be razed, she's become a hold-out tenant amid frayed wiring and szary, empty corridors. Then she finds a homeless woman with three kids in the basement, and before she can rescue them, they disappear. Worst of all, she's been implicated in a murder--after the body of Deirdre Messenger, a prominent lawyer's wife, turns up sprawled across her desk. V.I., who had volunteered with Deirdre at a women's shelter, suspects her death is linked to a case of upper-class domestic abuse so slickly concealed that the police refuse to believe it. Increasingly at odds with the cops, V.I. is blindly plunging ahead after the truth. And her path may lead to corruption at the highest levels or deep into the abandoned tunnels beneath Chicago's streets, where secrets are hiding in the dark like a child's--or V.I.'s--worst nightmare.

V. I. Warshawski takes on the entertainment industry when a fateful Good Samaritan act on behalf of a woman lying injured in the street plunges the plucky PI into a case involving dastardly deeds committed by the world's largest provider of security and prison services. Reprint.
