"Using the mathematician's method of analyzing life and exposing the hard-won insights of the academic community to the layman, minus the jargon ... Ellenberg pulls from history as well as from the latest theoretical developments to provide those not trained in math with the knowledge they need"--

When Ellen finished the Vendee Globe, yachting's toughest race aged just 24 the nation took her to it's heart. The depth of the affection for Ellen is extraordinary - she makes people feel like they can do anything! This is her story, written in true Ellen style, in her own words, without the help of a ghost writer. Passionate, dramatic and and deeply affecting, her story will move and inspire all who read it.
