Celebrity Rehab star and Thelonious Monster frontman Bob Forrest's memoir about his drug-fueled life in the L.A. indie rock scene of the '80s and '90s and his life-changing decision to become a drug counselor who specializes in reaching the unreachable. Life has been one

strange trip for Bob Forrest. He started out as a suburban teenage drunkard from the Southern California suburbs and went on to become a member of a hip Hollywood crowd that included the Red Hot Chili Peppers, Johnny Depp, and River Phoenix. Los Angeles was their playground, and they hung out in such infamous haunts as the Viper Room and the Whisky a Go Go. Always one to push things to their limit, Bob partied the hardest and could usually be found at the center of the drama. Drugs weren't Bob's only passion. He was also a talented musician who commanded the stage as the wild and unpredictable lead singer of Thelonus Monster. They traveled the world, and their future seemed bright and wide open. But Bob's demons grew stronger as he achieved more success and he sank

deeper into his chemical dependency, which included alcohol, crack, and heroin habits. No matter how many times he went to rehab, sobriety just wouldn't stick for him. Soon he saw his once-promising music career slip away entirely. Eventually Bob found a way to defeat his addiction, and once he did, he saw the opportunity to help other hopeless cases by becoming a certified drug counselor. He's helped addicts from all walks of life, often employing methods that are very much at odds with the traditional rehab approach. *Running with Monsters* is an electrifying chronicle of the LA rock scene of the 1980s and '90s, the story of a man who survived and triumphed over his demons, and a controversial perspective on the rehab industry and what it really takes to beat addiction. Bob tells his story with unflinching

Perfect for the Bill Murray fan in all of us, this epic collection of "Bill Murray stories" many reported for the first time here distills a set of guiding principles out of his extraordinary ability to infuse the everyday with surprise, absurdity, and wonder. No one will ever believe you. New York Times bestselling author Gavin Edwards, like the rest of us, has always been fascinated with Bill Murray—in particular the beloved actor's adventures off-screen, which rival his filmography for sheer entertainment value. Edwards traveled to the places where Murray has lived, worked, and partied, in search of the most outrageous and hilarious Bill Murray stories from the past four decades, many of which have never

Many of these surreal encounters ended with Bill whispering, "No one will ever believe you" into a stranger's ear. But *The Tao of Bill Murray* is more than just a collection of wacky anecdotes. A sideways mix of comedy and philosophy, full of photo bombs, late-night party crashes, and movie-set antics, this is the perfect book for anyone who calls themselves a Bill Murray fan—which is to say, everyone. Praise for *The Tao of Bill Murray* "When confronted by life's challenges and opportunities, we should all be asking ourselves, "What would Bill Murray do?" This book actually has the answers."—Jay
