Board Exam The only board review series that
?Takes the Boredom out of Board Review?
?Completely updated 3rd edition of the book
that provides the core material needed to
pass the General Pediatric Certifying exam.
It is also a user-friendly reference and
excellent guide for residents taking the
in-service exam during training or as an
adjunct in preparing for rotations. All
Content and format completely updated! You
will learn how to: ?Spot the Buzz words in
the question that reveal the correct
answer? Use mnemonics that work? Use proven
strategies that make study and review time
more efficient Our 3rd Edition offers a NEW
FEATURE: Clinical Case Scenarios. The
clinical case scenarios help you understand
how you can be diverted away from the correct
answer and even fall prey because you know
too much. This can often be the difference
between passing and failing the exam. Within
our 3rd Edition, we will help you identify
the: Case Study: Here we will present you with
the case study or summarize how they might
present a given vignette The Diversion: Here
we explain how you might be diverted from the
correct answer. The diversion can come in
many forms. The Answer Revealed: Here we
reveal the correct answer and show you how
the correct answer can be deduced by
carefully teasing out the important
information and filtering out the
diversionary material. Memorizing to remember
is often not enough. Learning so it is

impossible to forget will let you pass this important exam. This book shows you how.

Covers the most frequently asked and tested points on the pediatric board exam. Each chapter offers a quick review of specific diseases and conditions clinicians need to know during the patient encounter. Easy-to-use and comprehensive, clinicians will find this guide to be the ideal final resource needed before taking the pediatric board exam.

Pediatrics Board Review (PBR) was written by Dr. Ashish Goyal to help pediatricians pass the American Board of Pediatrics Initial Certification exam, the MOC recertification exam & the MOCA-Peds exam. The PBR offers a 100% money-back first-time pass guarantee & has had multiple consecutive years of 100% Pass Rates for the MOC exam. PBR has also achieved seemingly unattainable results, such as helping pediatricians finally pass their initial certification exam after up to SEVEN previous failed attempts. PBR's Core Study Guide is now available on mobile devices (e.g., iPhone) and tablets (e.g., iPad).
