Deepen the lay minister's knowledge of the 1979 Book of Common Prayer and the various duties of this ministry with this guidebook to lay participation in the Eucharist and Offices of the Church.

In *A Lay Preacher's Guide: How to Craft a Faithful Sermon*, Karoline M. Lewis provides lay preachers with an essential and accessible guide to the basics of Sunday morning preaching. Laypeople are increasingly called to serve congregations and are preaching regularly. But often they do not have immediate, reliable, or trusted access to homiletical instruction or support for their preaching. As a result, these church leaders--feeling called to ministry and to preach, and affirmed by denominational leaders to do so--are left on their own to figure out how to preach. In *A Lay Preacher's Guide*, Lewis gives this unique subset of preachers the foundations of biblical preaching, so they can preach faithfully in their unique contexts. She lays out in a concise and clear format the steps to preaching a faithful sermon, a process that can be immediately applied to weekly sermon preparation. This book is a go-to resource for lay preachers, providing a basic course for faithful preaching.

Take The Chump Challenge True Or False: 1. Treating a girl you like to a dinner date is a great idea. 2. Slipping sexual innuendo into a conversation with a girl you hardly know is a bad idea. 3. Talking to the prettier of two girls is a good idea. If you answered false to all three questions, you just might be a PUA (pickup artist.) Otherwise, you are an AFC (average frustrated chump.) If you think that's crazy, consider this: these dynamics have been confirmed hundreds of times by hundreds of men. The Layguide teaches any guy the proven techniques of the best pickup artists in the world: • The 3-seconds Rule (the most important rule you'll ever learn). • Developing the confidence of a true player. • How to become an Alpha Male. • The most successful approaches. • Gimmicks that work. • Closing the deal. Armed with the wisdom collected in The Layguide, you will never again waste money on go-nowhere dates. You will never again hesitate to approach a beautiful woman. You will no longer fear rejection. You will never be a supplicating chump just because a woman is attractive. You WILL be an unapologetically sexual male with poise, power, and the skills to have any woman you desire. Tony Clink is the webmaster of www.layguide.com, and one of the most successful pick-up artists in the world.

Provides information about composting, covering such topics as what can and cannot be composted, building a pile, and keeping the animals within alive.

This book might be considered a companion to Sunday celebrations in the absence of a priest and A ritual for lady persons. It addresses the questions: Who is the lay person who leads the community in prayer? What is their relationship to the community? What skills and/or training should be required? -- What sort of spiritual formation is desirable? How can the parish community or diocese help to promote their ministerial identity? Because lay ministry is not a stop-gap solution to a temporary need but a gift to the Church for the long term, these questions need careful consideration. --Book cover.

Designed for those who are not lawyers, accountants, or quasi-legal specialists, this book outlines the elements of risk management for congregations and church professionals. Divided into three parts, the guide provides an overview and history of the American legal system, details various areas of the law, and focuses on ways religious organizations can minimize their exposure to legal difficulties.
