The newly expanded "Learn to Listen, Listen to Learn" series prepares students for the rigors of academic classwork, helping them acquire the listening-comprehension and note-taking skills necessary for success. This two-book series offers students valuable tips for getting the most from college lectures, including note-taking skills, organization of information, recognition of language cues, and the acquisition of vocabulary. Students are shown how a typical lecture is organized, using extensive excerpts and transcripts from authentic lectures on high-interest topics from a wide range of academic discipline. Features: Includes new and updated material, including expanded vocabulary, extension, and post-lecture activities to encourage students to discuss, research, and write about ideas raised in the lectures. Teaches students how to recognize lecture organization, and how to evaluate and predict information. Focuses on the acquisition of vocabulary, especially from the Academic Word List, and on the recognition of language cues. Prepares students for academic testing with TOEFL-style test questions throughout the text. Audio CDs are also available for this text. Click on the links to the left of this page to purchase the Audio CDs. See also "Learn to Listen, Listen to Learn 1."

America's baby doctor tells the inspiring story behind a half century of caring for, understanding, and championing children.

Knowing how to listen is essential to learning, growing, and getting along with others. Simple words and inviting illustrations help children develop skills for listening, understand why it ' s important to listen, and recognize the positive results of listening. Includes a note to teachers and parents, additional information for adults, and activities.

In this inspired collection, some of America's most provocative thinkers and writers reflect on nature and enviornmetnal science--reaching compelling conclusions about humanity's relationship to the earth. Balanced by science and fact, Learning to Listen to the Land explains the significance of our modern environmental crisis. The authors underscore the necessity forworking within, rather than counter to, our larger ecosystem. Learning to Listen to the Land represents the sounding of an alarm. It's authors call on us to recognize the consequences of our actions, and inactions, and to develop a sense of connection with the earth.

A workbook with forty activities designed to help children learn self-control and empathy.

Addresses "the systematic development of skills in listening for and interpreting auditory information. Listening skills are a crucial but often-overlooked area of instruction for children who are visually impaired and may have multiple disabilities; they relate to the expanded core curriculum for students and are essential to literacy, independent travel, and sensory and cognitive development."--AFB website.

“ Full of insights and lessons you can use throughout your life—especially in challenging times—to create and enjoy better relationships. ” —Sarah Beckman, author of Hope in Hard Places Listen, Learn, Love shows those who are feeling overwhelmed, bored, frustrated, stressed, or lonely with the people closest to them how to make changes for the better quickly—even if the other person isn ' t willing or engaged. It is a user-friendly guide filled with practical suggestions and simple skills anyone can use to create better relationships.

And who doesn't have at least one relationship in their life they would like to be better? While wanting a good relationship is a great beginning, building great relationships takes a few skills. Listen, Learn, Love is packed with concise and actionable tips shared with clarity, humor and authenticity, and shows readers how to dramatically improve their relationships in thirty days or less. "Susie Miller gets to the heart of what makes relationships thrive in all the messiness and stress of life. This book is a treasure that you can read in a couple hours but that will benefit you for the rest of your life." —Brian D. McLaren, author of Faith After Doubt "Every once in a while a fresh voice arrives on the scene that cuts through the jargon and meets us right where we are. Susie Miller is exactly that! Her sage advice and authentic, upbeat style had me hooked from page one. Listen, Love, Learn is for everyone who longs for those deep, abiding relationships that make life meaningful." —Ann Vertel, PhD, author of Take Charge of Your Confidence

Listen Wise Listening skills form part of the foundation of any successful student's repertoire of abilities. Crucial to academic performance and success throughout life, attentive listening can transform students' ability to absorb and understand information quickly and efficiently. In Listen Wise: Teach Students to Be Better Listeners, journalist, entrepreneur, and author Monica Brady-Myerov delivers an insightful and practical examination of how to build powerful listening skills in K-12 students. The book incorporates the Lexile® Framework for Listening and explains why it is revolutionizing the field of listening and contributing to a surging recognition of its importance in the academic curriculum. It also includes firsthand classroom stories and incisive teacher viewpoints that highlight effective strategies to teach critical listening skills. You'll discover real-world examples and modern, research-based advice on how to assist young people in improving their listening abilities and overall academic performance. You'll also find personal anecdotes from the accomplished and experienced author alongside accessible excerpts from the latest neuroscience research covering listening and auditory learning. Listen Wise explains why listening skills in students are crucial to improving reading skills, especially amongst those students still learning English. The book is a critical resource that demonstrates why listening is the missing piece of the literary puzzle and shows educators exactly what they can do to support students in the development of this key skill. Perfect for K-12 teachers looking for effective new ways to understand their students and how they learn, Listen Wise will also earn a place in the libraries of college and master's level students in education programs readying themselves for a career in teaching. UNLOCK YOUR STUDENTS' LISTENING SKILLS WITH THIS PRACTICAL AND INSIGHTFUL BOOK Often overlooked but crucial to the development of successful academic performance and life skills, listening skills form part of the necessary foundation of literacy. In Listen Wise: Teach Students to Be Better Listeners, author, journalist, and entrepreneur Monica Brady-Myerov offers readers an accessible and insightful guide for educators to help students improve active listening skills. "We can all improve our listening skills, given thoughtful guidance on what influences how we absorb, understand and retain ideas and information. Monica has drawn on decades of her experience as an award-winning journalist, entrepreneur and parent to share lessons that every educator will value." —Betsy Corcoran, Co-founder, EdSurge, award-winning journalist, The Washington Post and Forbes Media "If you are looking for a clear and powerful handbook for improving students' abilities to listen to extended and complex academic messages, this is it. Monica Brady-Myerov has written a well-researched and highly practical resource that will become a valuable cornerstone for your theory and practice." —Dr. Jeff Zwiers, Stanford University Graduate School of Education "It's a scandal if a child leaves school unable to read or write, but the vast majority leave every year without ever learning how to listen effectively. This book is long,
