The letters by John Keats, in a way, are more near to his personality than his poems. He revealed himself to his friends, to his family and certainly to his beloved. The lesser lit side of his personality can be understood and readers get a chance to know John in black and white.

**Letters of John Keats by John Keats - Goodreads**

Keats was above all else a literary man, knowing and being known by almost everybody in the literary circles of early 19th century London, less closeted, less private and certainly better educated than, for example, the Wordsworth he admired. The letters contain many fragments of poems sent to family and friends.

The letters of John Keats begin in 1816 and end with his death in 1821. They are very much a personal record, so much so that their publication in the nineteenth century occasioned notable critical...

**The Letters of John Keats Critical Essays - eNotes.com**

Such observations and imaginative spurts make Keats ' s letters required reading for any poet or critic and as important as Keats ' s poems. In 1819, Keats had an extremely rich year of creativity; he wrote " The Eve of St. Agnes, " " La Belle Dame Sans Merci, " and his six great odes, which include " Ode to a Nightingale, " " Ode on Indolence, " " Ode on Melancholy, " and " Ode on a Grecian Urn. "

**John Keats - Wikipedia**

Keats hemorrhaged the blood of his " death-warrant " 200 years ago in February, which is something I have been thinking about deeply, this essay is inspired by his March 1820 love letters to Fanny Brawne which are full of death-talk (Keats knew his death was imminent), today is the anniversary of the death of my dear Beethoven, and the current Plague of 2020 (coronavirus, or COVID-19) has been ravaging the entire planet.

The letters of John Keats by Forman, M.B. and a great selection of related books, art and collectibles available now at AbeBooks.co.uk.

'I think I shall be among the English Poets after my death,' John Keats soberly prophesied in 1818 as he started writing the blankverse epic Hyperion. Today he endures as the archetypal Romantic genius who explored the limits of the imagination and celebrated the pleasures of the senses but suffered a tragic early death. Edmund Wilson counted him as 'one of the half dozen greatest English writers,' and T. S. Eliot has paid tribute to the Shakespearean quality of Keats's greatness. Indeed, his work has survived better than that of any of his contemporaries the devaluation of Romantic poetry that began early in this century. This Modern Library edition contains all of Keats's magnificent verse: 'Lamia,' 'Isabella,' and 'The Eve of St. Agnes'; his sonnets and odes; the allegorical romance Endymion; and the five-act poetic tragedy Otho the Great. Presented as well are the famous posthumous and fugitive poems, including the fragmentary 'The Eve of Saint Mark' and the great 'La Belle Dame sans Merci,' perhaps the most distinguished literary ballad in the language. 'No one else in English poetry, save Shakespeare, has in expression quite the fascinating felicity of Keats, his perception of loveliness,' said Matthew Arnold. 'In the faculty of naturalistic interpretation, in what we call natural magic, he ranks with Shakespeare.'

Keats's letters are 'the most notable and most important ever written by any English poet' (T. S. Eliot). This new edition revises and updates Robert Gittings's selection and includes 170 letters, a new introduction and notes, list of correspondents and full index

This 1958 book forms the first part of a two-volume edition of Keats's letters, covering 1814 to 1818.

The letters of John Keats are, T. S. Eliot remarked, what letters ought to be, the fine things come in unexpectedly, neither introduced nor shown out, but between trifle and trifle. This new edition, which features four rediscovered letters, three of which are being published here for the first time, affords readers the pleasure of the poet's trifles as well as the surprise of his most famous ideas emerging unpredictably. Unlike other editions, this selection includes letters to Keats and among his friends, lending greater perspective to an epistolary portrait of the poet. It also offers a revealing look at his posthumous existence, the period of Keats's illness in Italy, painstakingly recorded in a series of moving letters by Keats's deathbed companion, Joseph Severn. Other letters by Dr. James Clark, Percy Bysshe Shelley, and Richard Woodhouse--omitted from other selections of Keats's letters--offer valuable additional testimony concerning Keats the man. Edited for greater readability, with annotations reduced and punctuation and spelling judiciously modernized, this selection recreates the spontaneity with which these letters were originally written.

General and students of nineteenth-century English literature and history.

This 1958 book forms the second part of a two-volume edition of Keats's letters, covering 1819 to 1821.
