A true virtuoso of Tantra and a brilliant star in the universe of erotic delights, bestselling author Margot Anand has led a life of sexual ecstasy and spiritual bliss. This book recounts her fascinating adventures and provides techniques and exercises to help you connect to the spiritual potential of sex and cultivate a deeper, more fulfilling love life. One of the first teachers to bring Tantra to the West, Margot has explored the connection between sex, body, mind, and spirit with gurus around the world, including Timothy Leary, Alan Watts, Osho, and many more. Love, Sex, and Awakening shares her amazing stories and explores the answers to profound questions: What is Tantra? What does a woman need to realize her multi-orgasmic nature? What does it mean for a man to be a Tantric lover? What is awakening?

For many of us, feelings of deficiency are right around the corner. It doesn't take much--just hearing of someone else's accomplishments, being criticized, getting into an argument, making a mistake at work--to make us feel that we are not okay. Beginning to understand how our lives have become ensnared in this trance of unworthiness is our first step toward reconnecting with who we really are and what it means to live fully. —from Radical Acceptance “Believing that something is wrong with us is a deep and tenacious suffering,” says Tara Brach at the start of this illuminating book. This suffering emerges in crippling self-judgments and conflicts in our relationships, in addictions and perfectionism, in loneliness and overwork—all the forces that keep our lives constricted and unfulfilled. Radical Acceptance offers a path to freedom, including the day-to-day practical guidance developed over Dr. Brach's twenty years of work with therapy clients and Buddhist students. Writing with great warmth and clarity, Tara Brach brings her teachings alive through personal stories and case histories, fresh interpretations of Buddhist tales, and guided meditations. Step by step, she leads us to trust our innate goodness, showing how we can develop the balance of clear-sightedness and compassion that is the essence of Radical Acceptance. Radical Acceptance does not mean self-indulgence or passivity. Instead it empowers genuine change: healing fear and shame and helping to build loving, authentic relationships. When we stop being at war with ourselves, we are free to live fully every precious moment of our lives.

Unlike other guides that focus on how to make relationships work, this groundbreaking book teaches couples how their relationships can make their lives work. Combining the practical advice of Harville Hendrix with the spiritual guidance of Thomas Moore, it shows couples how their relationships can help them discover their sacred selves in such chapters as "The Power of Truth-Telling", "The Inner Marriage", "Men In Relationship" and "Soulwork and Sacred Combat". Along the way, it provides a wealth of practical guidance on how to deal with difficult problems and includes lively dialogues from Welwood's workshops that dynamically illustrate his core ideas. Men and women are searching for deeper meaning and purpose in their everyday lives and relationships. Love and Awakening fills this need. It is a book couples will want to read together.
