Making ethical decisions can be difficult. We make most of them in a world of economic, professional and social pressures, which can obscure moral issues. Often we don't know or understand crucial facts. We must rank competing moral claims and must be able to predict the likely consequences of choices. Ethical decision making requires more than a belief in the importance of ethics.

ethical decision making.

Difficulties in Ethical Decision Making

In the nineteenth century, John Stuart Mill, an English philosopher, introduced the principle of utility that states ethical behavior arises from decisions that provide the greatest good for the greatest number of people. Using these principles, one method of ethical decision-making is to apply an end-based, rule-based, and care-based analysis to a dilemma.

This text provides a unique collection of case studies across a wide range of organizations (higher education, K-12 education,

Read PDF Making Ethical Decisions S F Johnson

military, state and local government administration, non-profit institutions, and agency management, etc.). These cases examine ethical decision-making and organizational and leadership behavioral concepts that are practiced in these organizations. The cases cover topics facing our workforce today and ask the reader to solve the dilemma. Through a discussion of these cases, students apply decision making and organizational and leadership strategies to analyze each case and therefore gain a better understanding of how to effectively lead and manage

required of student affairs educators to develop and maintain integrity in their life and work as described by the ACPA/NASPA. The text offers readers a number of major unique features: It offers multiple ethical decision-making models to guide student affairs educators in their ethical decision-making process. It proposes that ethics is not an individual but an organizational responsibility. It offers that ethical decision making is a professional skill that can be practiced and applied in student affairs educators' day-to-day practice. It presents the

Read PDF Making Ethical Decisions S F Johnson

reader with the most current legal issues in student affairs and higher education. Finally, it reflects three themes: integration of ACPA/NASPA competency areas; development of professional identity; and application of knowledge and theory to practice. The book is critical and timely. A book that focuses on ethical and legal issues in student affairs is needed for faculty in preparation programs, new professionals navigating their identity as student affairs educators, and a resource for mid- and senior-level professionals facilitating ongoing

Read PDF Making Ethical Decisions S F Johnson

professional development. The book begins to address what it means to have a professional identity, which is ground in the shared ethical and legal values espoused within the profession and academia. Each chapter uniquely contributes to the complexity embedded in the study of ethics and how that is applied to practice. Additionally, the volume is a balance of procedural knowledge, case illustrations, and guided practice exercises to facilitate the reader's ability to translate the theory and research discussed into professional

custody was considered a questionable parenting arrangement when a marriage dissolved. Now, with shared responsibility by both parents having become a widely accepted alternative, the debate has shifted toward examining what circumstances make it workable and the extent to which responsibility should be shared. The first edition of JOINT CUSTODY AND SHARED PARENTING, published in 1984, set the agenda for law reform and research on the effects of joint custody. The initial volume reported on preliminary data from the small research samples then available and surveyed

existing law. Benefiting from the studies that have been conducted since then and from new legal developments, this second edition--completely revised and updated to encompass the wealth of new research, literature, and law--represents the collective knowledge of child developmental experts, therapists, mediators, researchers, economists, and lawyers. Part I provides an overview of the history of child custody and considerations for and against. Part II, focussing on the factors that influence the choice of joint custody, discusses

Read PDF Making Ethical Decisions S F Johnson

when it is most likely to succeed, obstacles that can impede its acceptance, and how a workable parenting plan can be structured. Also examined are related concerns such as female dependency, inequality, and economic considerations. Part III reports the results of research on the effects of joint custody for both children and their parents. Chapters examine findings on co-parenting two years after divorce, compare joint custody with maternal and paternal sole custody arrangements, and discuss the effects of custody arrangements on preschool children, child support

Read PDF Making Ethical Decisions S F Johnson

payments, and ongoing post-divorce conflict. In Part IV, chapters explore trends in the law, judicial preference for one type of child arrangement over another, and the effect of joint custody on Aid For Dependent Children eligibility. Also included is discussion of California's joint-custody statute and Canada's legal perspective. The book concludes with two helpful appendices: a state-by-state chart of all statutory enactments and key cases on joint custody and shared parenting; and a sample joint-custody agreement with alternative provisions to
