Ramp up the tension and keep your readers hooked! Inside you'll find everything you need to know to spice up your story, move your plot forward, and keep your readers turning pages. Expert thriller author and writing instructor James Scott Bell shows you how to craft scenes, create characters, and develop storylines that harness conflict and suspense to carry your story from the first word to the last. Learn from examples of successful novels and movies as you transform your work from ho-hum to high-tension. • Pack the beginning, middle, and end of your book with the right amount of conflict. • Tap into the suspenseful power of each character's inner conflict. • Build conflict into your story's point of view. • Balance subplots, flashbacks, and backstory to keep your story moving forward. • Maximize the tension in your characters' dialogue. • Amp up the suspense when you revise. Conflict & Suspense offers proven techniques that help you craft fiction your readers won't be able to put down.

What would be your ideal job if you didn't have to worry about money? Would you like to have more responsibility or less? How far would you go for a promotion? When did you last stand up for what you believe in? What are you afraid of? In this unique handbook to your own life and work, there are no right or wrong answers: only honest ones. Featuring sections on subjects everyone can relate to, from the professional (work and finance), to the personal (sex and relationships), The Question Book can be used alone, like a journal; or with a colleague, partner or friend. It will probe and enlighten on everything, including what your boss really thinks about you, whether you are in the right job, and what motivates you to get out of bed every morning. These wide-ranging questions - which provoke short 'yes or no's as well as open-ended responses that dig deeper - are pertinent, direct, and compulsively fun to answer. In The Question Book, you are under the spotlight. And only you have the answer.

Presents a variety of different shapes, using real-life food as examples.
