The first collection of works by the Japan-based Russian illustrator, Ilya Kuvshinov

Following the worldwide success of **Momentary** (9784756248756), we are proud to present this second illustration artwork collection from Ilya Kuvshinov. This book collects over 300 new artworks the artist posted on social media, which were created after **Momentary** was published. This collection book also includes some of Ilya's commercial works adding extra variety to this 2nd book. After the success of **Momentary**, Ilya has gained popularity and has done some exhibitions and commercial works. One of the most prestigious jobs Ilya was offered was as the character and visual designer for the anime *The Wonderland* (directed by Keiichi Hara, Crayon Shin-chan series) and *Ghost in the Shell: SAC_2045*. This talented illustrator, who was influenced by many Japanese artists, now has 1.6 million followers worldwide on Instagram, and is established as an influencer of other illustrators around the world. As in the previous title, this book uses special printing technology to reproduce the beautiful colors of Ilya's CG illustrations, enhancing the possibility of 4-color printing. Because the previous book was solely focused on collecting Ilya's artwork which was presented on Ilya's social media, the book was in a square format. But this time, we have produced this book in a larger format to include some of Ilya's commercial works adding extra value and quality into this book.

"When you die on your world, you are born in this world. Some may call this the afterlife, a spiritual rebirth, heaven, hell, damnation. For me, it 's my playground. " —Lasaaj (a character from Heaven 's Hell) This book explores the world of Heaven 's Hell, a place that takes place in the afterlife. The premise is that when you die, your spirit or soul is transported to another realm of being. The life you were living before was a test to prepare you for the afterlife. Because in your new life, you will have to fight, not only for your survival, but also for rewards. The rewards are given to those who are victorious in ending the existence of others in huge battle arenas, and they grant people divine intervention and power that essentially help them communicate back to their old worlds. Sometimes it 's for good, sometimes for bad, helping to illuminate the existence of miracles and tragic disasters throughout all religious history. Follow top educator Anthony Jones on his adventure of creating a fascinating place where imagination has no bounds.

Ben Zhu's *Dessert Island* is an irresistible picture book about sharing and caring. Monkey is on a desert island. It is made of frosting, berries, and other delicious things. Fox is on a desert island. It is made of dirt, rocks, and sand. But as time goes on, their fortunes change, and Monkey and Fox discover that no animal is an island. This wonderfully layered story has themes of consumption and conservation at its center, and wraps up with a sweet and satisfying ending.

From VOFAN, the star illustrator of the *Monogatari* series of novels written by NISIOISIN, comes a full-color artbook of his best personal works. Praised by the fans around the world as "The Magician of Light and Shadow from Taiwan", VOFAN is famous for using a vibrant art style combined with unique camera techniques in his art. As the main illustrator for NISIOISIN's novel series for over a decade, VOFAN has illustrated more than 30 book covers and has created dozens of original character designs. Beside his extensive illustration works for NISIOISIN, VOFAN has illustrated magazine covers such as Famitsu and Fancy Frontier Magazine. VOFAN is also the main character designer for the popular *Playstation 3* *RPG Time and Eternity*.

Following the very successful *Beginner's Guide to Digital Painting in Photosop*, this latest book explores techniques used in character creation.
