New Maths Frameworking - Year 8 Workbook (PDF) | UK ...

The content of this 'NEW' book is pretty much the same as the old version. The one thing that did frustrate me a little as regards the old book was the lack of an index. This has been rectified, so it is now in line with the Year 7 and Year 8 Maths Frameworking books published in 2008. As for the content, it is well laid out with clear examples.
