Chilean poet and politician. He became known as a poet when he was only 10 years old and when he was 19, his poetry collection *Twenty Love Poems and a Song of Despair* made him a household name in Latin America. It is difficult to classify Neruda's poetry as it is extremely diverse.

The most comprehensive English-language collection of work ever by "the greatest poet of the twentieth century-in any language" (Gabriel García Márquez) In his work a continent awakens to consciousness," wrote the Swedish Academy in awarding the Nobel Prize to Pablo Neruda, author of more than thirty-five books of poetry and one of Latin America's most revered writers and political figures-a loyal member of the Communist party, a lifelong diplomat and onetime senator, a man lionized during his lifetime as "the people's poet." Born Neftali Basoalto, Neruda adopted his pen name in fear of his family's disapproval, and yet by the age of twenty-five he was already famous for the book *Twenty Love Poems and a Song of Despair*, which remains his most beloved. During the next fifty years, a seemingly boundless metaphorical language linked his romantic fantasies and the fierce moral and political compass-exemplified in books such as *Canto General*-that made him an adamant champion of the dignity of ordinary men and women. Edited and with an introduction by Ilan Stavans, this is the most comprehensive single-volume collection of this prolific poet's work in English. Here the finest translations of nearly six hundred poems by Neruda are collected and join specially commissioned new translations that attest to Neruda's still-resounding presence in American letters.

Describes the life and times of the Nobel Prize-winning Chilean poet.

Presents a bilingual edition of the Nobel Prize-winning Chilean poet's collection of poems celebrating the beauty and nature of love and the passions, fears, pain, and anguish of human existence. Reprint. 35,000 first printing.

The making of a great Chilean poet.

Recipient of the Nobel Prize for Literature and the International Peace Prize "The call for a more accessible collection of Neruda's important poems is answered with *City Lights' The Essential Neruda*, a 200-page edition that offers 50 of Neruda's key poems."-- *The Bloomsbury Review* This bilingual collection of Neruda's most essential poems is indispensable. Selected by a team of poets and prominent Neruda scholars in both Chile and the U.S., this is a definitive selection that draws from the entire breadth and width of Neruda's various styles and themes. An impressive group of translators that includes Alistair Reid, Stephen Mitchell, Robert Hass, Stephen Kessler and Jack Hirschman, have come together to revisit or completely retranslate the poems; and a handful of previously untranslated works are included as well. This selection sets the standard for a general, high-quality introduction to Neruda's complete oeuvre. " ...*The Essential Neruda* will prove to be, for most readers, the best introduction to Neruda available in English. In fact, I can think of few other books that have given me so much delight so easily. At only 234 pages (bilingual), it somehow manages to convey the fullness of Neruda's poetic arc: Reading it is like reading the autobiography of a poetic sensibility (granted, the abridged

version)."--The Austin Chronicle "This book is a must-have for any reader interested in a definitive sampling of the most essential poems by one whom many consider one of the best poets of the 20th century."--Mike Nobles, Tulsa World "What better way to celebrate the hundred years of Neruda's glorious residence on our earth than this selection of crucial works-- in both languages -- by one of the greatest poets of all time. A splendid way to begin a love affair with our Pablo or, having already succumbed to his infinite charms, revisit him passionately again and again and yet again."--Ariel Dorfman, author of *Konfidenz* and *The Nanny and the Iceberg* "If the notion had struck Pablo Neruda, I am quite sure that like Fernando Pessoa and Antonio Machado he would have given birth to what the former called heteronyms. Like Pessoa especially, Neruda can be several poets according to where he is and when and what his mood might be. It is quite fitting therefore that his work in this anthology be shared by various translators, for, ideally, a translator is but another heteronym speaking in a different tongue and at a different time. Neruda is well served here by these other voices of his."--Gregory Rabassa "The editors and translators know how to extract gold from a lifetime of prolific writing. If you want a handy Neruda companion and don't know where to begin, this is it."--The Bloomsbury Review

Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Noble Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor...." Written on the paradisaic island

of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, Love Poems embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses.

Adam Feinstein's book is the first English-language biography of the Nobel Prize-winning Chilean poet Pablo Neruda. Relating Neruda's remarkable life story and delving into the literary legacy of the man Gabriel Garcia Marquez called "the greatest poet of the twentieth-century-in any language," Feinstein uncovers the details of this icon's artistic output, political engagement, friendships with a pantheon of important 20th-century artistic and political figures, and many loves.

The perfect gift for Valentine's Day Selected Poems contains Neruda's resonant, exploratory, intensely individualistic verse, rooted in the physical landscape and people of Chile. Here we find sensuous songs of love, tender odes to the sea, melancholy lyrics of heartache, fiery political statements and a frank celebration of sex. This is an enticing, distinctive and celebrated collection of poetry from the greatest twentieth century Latin American poet.

A lavishly designed, bilingual gift edition of the Nobel Prize-winning poet's romantic works is comprised of pieces mostly written on the island of Capri, where he found inspiration in its idyllic landscapes and his relationship with Matilde Urrutia. Original.
