Prepare for your dive professional exam, be an informed recreational scuba diver! Many of you will be preparing for an exam to become a dive professional. This book tells you all you need to know, no more, no less. We will start off easy with a short introduction to the dive environment. Next, we go on with the physics of diving. We have a look at equipment. In the physiology of diving, we will have a look at blood, hearts, lungs, ears, and all the things that can go wrong. Finally, we can bring it together and talk about decompression theory. We did even more. We made an on-line course with videos and many more exercises to help you study. This is also the place where people all over the world taking this course help each other with questions and answers. The facebook page is called easydivetheory.

F stands for "funny" in this perfect gift for students or anyone who has ever had to struggle through a test and needs a good laugh. Celebrating the creative side of failure in a way we can all relate to. F in Exams gathers the most hilarious and inventive test answers provided by students who, faced with a question they have no hope of getting right, decide to have a little fun instead. Whether in science (Q: What is the highest frequency noise that a human can register? A: Mariah Carey), the humanities (Q: What did Mahatma Gandhi and Genghis Khan have in common? A: Unusual names), math, or other subjects, these 250 entries prove that while everyone enjoys the spectacle of failure, it's even sweeter to see a FAIL turn into a WIN.
