Follow Daniel around the Spanish-speaking world as he guides students through this innovative new language course Experiencias: Beginning Spanish is a dynamic and innovative introductory Spanish course that builds students' language competency and offers realistic language encounters, so they can begin communicating in Spanish as early as possible. In Experiencias: Beginning Spanish, students meet Daniel, a native Spanish speaker who guides them through the learning process. For each chapter, there is a video episode of Daniel's "how to" show, where he interviews his Spanish-speaking friends about authentic topics of interest to today's students. The Experiencias course focuses on connecting language with culture, engaging students with content related to the perspectives of native speakers. Each chapter focuses on a different country, integrating grammar and vocabulary into real-world units that will give students a sense of excitement and wonder. Additional pedagogical features include an emphasis on metacognitive learning strategies, a reduced grammatical syllabus that leaves room for extra work on challenging areas, and content recycling throughout the text for enhanced language mastery. Takes students on a journey through the Spanish-speaking world, featuring a different country in each chapter Offers innovative pedagogical techniques and activities drawn from the authors' own classroom research Engages students with a focus on culture, practical communication, and video interviews with native Spanish speakers Develops oral and written communication skills through authentic tasks structured by the ACTFL Proficiency Guidelines With WileyPLUS for Experiencias: Beginning Spanish, students have access to an enhanced e-text featuring videos, audio recordings, interactive vocabulary exercises, educational animations, links to additional resources, and more. This text is an excellent choice for today's beginning Spanish speakers, whether in traditional or online classroom environments.
