From first-aid essentials to life-saving procedures, it's worth having someone who knows what they are doing to cope with life's little (and big) emergencies. Published in association with the UK's three leading first-aid providers, this manual gives you the knowledge you need instantly if someone falls ill or gets hurt.

This first-aid book has been authorized by St John's Ambulance, the St Andrew's Ambulance Association and the British Red Cross and offers an up-to-date guide to treating casualties of all ages in any emergency. The chapters have been reorganized by injury type and severity and are colour-coded for swift and easy access to information. The contents give due emphasis to really serious problems such as head injury, without neglecting common, but still worrying ailments like nosebleed or prickly heat. The two new sections include a 16-page quick-reference chapter which spells out emergency life-saving procedures and there is advice for first-aiders which gives real facts about the risks of cross-infection. The book complies with the latest 1992 guidelines laid down by the European Resuscitation Council.

FIRST TO CARE: 125 YEARS OF THE ORDER OF ST JOHN IN NEW ZEALAND, 1885-2010 brings to life the history of one of our most ubiquitous and vital charitable organisations. The heavily illustrated book provides a vivid account of public-spiritedness, enterprise and innovation by people involved in St John over the past 125 years, peppered with occasional disputes and setbacks along the way. St John invented and popularised 'first aid' as we know it. It provided medical assistance from the sidelines of our sports fields from as early as 1891 and it played a leading role in disaster relief from its formative days. From humble beginnings it established a nationwide ambulance service that today is the envy of the St John fraternity worldwide.
