The term Great American Novel refers to a canonical novel that is thought to embody the essence of America. It is generally regarded as being written by an American and dealing in some way with the question of America's national character. The Great American Novel is considered America's equivalent of the national epic. The term was coined by John William De Forest in a 1868 essay. Although De Forest mentioned Uncle Tom's Cabin as a possible contender, he noted that the Great American Novel had

Help tell the Great American Story to Preserve Liberty. For decades now, too many of America's high schools and colleges, under the domination of the "progressive" Left, have been pushing a biased and distorted narrative of America as essentially unjust. It is no wonder, then, that increasing numbers of young Americans today are embracing socialism and other ideas destructive of liberty, while rejecting such bedrock American principles as freedom of speech.

Native American Indian Lore: Race with Buffalo. Race with Buffalo. A story of the Cheyenne of the Great Plains. There was a time when all the animals lived in peace, when no one ate anyone else. All the animals were the same color, because they had not yet painted their faces. Buffalo was the largest and strongest of the animals, and he was getting hungry, He wanted to be the chief of all the animals.

For too long we've lacked a compact, inexpensive, authoritative, and compulsively readable book that offers American readers a clear, informative, and inspiring narrative account of their country. Such a fresh retelling of the American story is especially needed today, to shape and deepen young Americans' sense of the land they inhabit, help them to understand its roots and share in its memories, all the while equipping them for the privileges and responsibilities of citizenship in American society The existing texts simply fail to tell that story with energy and conviction. Too often they reflect a fragmented outlook that fails to convey to American readers the grand trajectory of their own history. This state of affairs cannot continue for long without producing serious consequences. A great nation needs and deserves a great and coherent narrative, as an expression of its own self-understanding and its aspirations; and it needs to be able to convey that narrative to its young effectively. Of course, it goes without saying that such a narrative cannot be a fairy tale of the past. It will not be convincing if it is not truthful. But as *Land of Hope* brilliantly shows, there is no contradiction between a truthful account of the American past and an inspiring one. Readers of *Land of Hope* will find both in its pages.

A cultural history of sneakers, tracing the footprint of one of our most iconic fashions across sports, business, pop culture, and American identity When the athletic shoe graduated from the beaches and croquet courts of the wealthy elite to streetwear ubiquity, its journey through the heart of American life was just getting started. In this rollicking narrative, Nicholas K. Smith carries us through the long twentieth century as sneakers became the totem of subcultures from California skateboarders to New York rappers, the cause of gang violence and riots, the heart of a global economic controversy, the lynchpin in a quest to turn big sports into big business, and the muse of high fashion. Studded with larger-than-life mavericks and unexpected visionaries—from genius rubber inventor, Charles Goodyear, to road-warrior huckster Chuck Taylor, to the feuding brothers who founded Adidas and Puma, to the track coach who changed the sport by pouring rubber in his wife's waffle iron—Kicks introduces us to the sneaker's surprisingly influential, enduring, and evolving legacy.

Now beginning readers can learn all about Charles M. Schulz's iconic comic strips, beloved characters, and the cartoons and movies in this nonfiction Level 3 Ready-to-Read about the history of the Peanuts Gang! Did you know that many of the characters in *A Charlie Brown Christmas* were voiced by regular kids from the producer's neighborhood? Or that Charles M. Schulz had his first sketch published at age fourteen in the local newspaper's "Ripley's Believe It Or Not" feature? What about that NASA has an award called the Silver Snoopy for outstanding achievements related to flight safety and mission success? Become a History of Fun Stuff Expert on Charlie Brown, Snoopy, and the rest of the Peanuts gang, and amaze your friends with all you've learned in this fun, fact-filled Level 3 Ready-to-Read! A special section at the back of the book includes Common Core-vetted extras on subjects like science, social studies, and math, and there's even a fun quiz so readers can test themselves to see what they've learned! Learning about history has never been so much fun! © 2017 Peanuts Worldwide LLC

Recounts the settlement of the West from the first pioneers who crossed the Appalachians to the eventual disappearance of the frontier.

Co-founder of The Carlyle Group and patriotic philanthropist David M. Rubenstein takes readers on a sweeping journey across the grand arc of the American story through revealing conversations with our greatest historians. In these lively dialogues, the biggest names in American history explore the subjects they've come to so intimately know and understand. — David McCullough on John Adams — Jon Meacham on Thomas Jefferson — Ron Chernow on Alexander Hamilton — Walter Isaacson on Benjamin Franklin — Doris Kearns Goodwin on Abraham Lincoln — A. Scott Berg on Charles Lindbergh — Taylor Branch on Martin Luther King — Robert Caro on Lyndon B. Johnson — Bob Woodward on Richard Nixon — And many others, including a special conversation with Chief Justice John Roberts Through his popular program The David Rubenstein Show, David Rubenstein has established himself as one of our most thoughtful interviewers. Now, in *The American Story*, David captures the brilliance of our most esteemed historians, as well as the souls of their subjects. The book features introductions by Rubenstein as well a foreword by Librarian of Congress Carla Hayden, the first woman and the first African American to lead our national library. Richly illustrated with archival images from the Library of Congress, the book is destined to become a classic for serious readers of American history. Through these captivating exchanges, these bestselling and Pulitzer Prize-winning authors offer fresh insight on pivotal moments from the Founding Era to the late 20th century.

Explores the origins of L. Frank Baum's classic tale "The Wizard of Oz," evaluating the personal turmoil and spiritual transformation that fueled Baum's parable of the American dream, and describing the people, places, and events that inspired his characters.

Gil Gamesh is the only pitcher who ever tried to kill the umpire, and John Baal, The Babe Ruth of the Big House, never hit a home run sober. But you've never heard of them -- or of the Ruppert Mundys, the only homeless big-league ball team in American history -- because of the communist plot and the capitalist scandal that expunged the entire Patriot League from baseball memory. Philip Roth's richly imagined satiric narrative, *The Great American Novel*, turns baseball's status as national pastime and myth into an unfettered farce featuring heroism and perfidy, lively wordplay and a cast of characters that includes the House Un-American Activities Committee.

In a tour de force of historical reportage, Timothy Egan's National Book Award-winning story rescues an iconic chapter of American history from the shadows. The dust storms that terrorized the High Plains in the darkest years of the Depression were like nothing ever seen before or since. Following a dozen families and their communities through the rise and fall of the region, Timothy Egan tells of their desperate attempts to carry on through blinding black dust blizzards, crop failure, and the death of loved ones. Brilliantly capturing the terrifying drama of catastrophe, he does equal justice to the human characters who become his heroes, "the stoic, long-suffering men and women whose lives he opens up with urgency and respect" (*New York Times*). In an era that promises ever-greater natural disasters, *The Worst Hard Time* is "arguably the best nonfiction book yet" (*Austin Statesman Journal*) on the greatest environmental disaster ever to be visited upon our land and a powerful reminder about the dangers of trifling with nature. This e-book includes a sample chapter of *THE IMMORTAL IRISHMAN*.
