Poe's preference for not naming his narrators is potent once again in "The Tell-Tale Heart", a story that is trying so hard to appear sane, but fails miserably in the end. With minute preparations, perfect calculations, and even more precise execution of the conceived gruesome act, the narrator successfully fulfills his purpose, only to be lost in a battle with his sanity and guilt afterwards. Backed by the numerous movie and theatrical adaptations, the story is considered one of Poe's most popular and critically acclaimed. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

"The Tell-Tale Heart" is a short story by Edgar Allan Poe first published in 1843. It follows an unnamed narrator who insists on his sanity after murdering an old man with a "vulture eye". The murder is carefully calculated, and the murderer hides the body by cutting it into pieces and hiding it under the floorboards. Ultimately the narrator's guilt manifests itself in the hallucination that the man's heart is still beating under the floorboards. It is unclear what relationship, if any, the old man and his

murderer share. It has been suggested that the old man is a father figure or, perhaps, that his vulture eye represents some sort of veiled secret. The ambiguity and lack of details about the two main characters stand in stark contrast to the specific plot details leading up to the murder. The story was first published in James Russell Lowell's *The Pioneer* in January 1843. "The Tell-Tale Heart" is widely considered a classic of the Gothic fiction genre and one of Poe's most famous short stories.

Ten tantalizing tales include "The Fall of the House of Usher," "William Wilson," "The Pit and the Pendulum," "The Cask of Amontillado," "The Purloined Letter," "The Murders in the Rue Morgue," more.

In the following pages, one will firstly be introduced to the author and his historical background, the American Romantic Movement with the subgenres Dark Romanticism and Gothic fiction. Afterwards, the short story will be analyzed regarding its content, literary devices and linguistic means, especially in the end.
