A cocky baseball player falls for, the curvy girl who knows how to put him in his place, and the off-limits billionaire who owns his team. Laughter follows in this second chance romance where pretend dating leads to secret relationships and a whole lot more. Lexi As a curvy American girl spending her senior year in Japan, the last thing Lexi expected was to find a guy. So, when Forrest Wolf, the drop-dead gorgeous American star of Japan's baseball league, crossed the bar to meet her, you can excuse her skepticism. The man was used to thousands of people chanting his name every night. No, she immediately shut him cocky ass down... his incredibly tight, cocky ass... how long had it been since she had had sex, again? Why is it that after a girl gives in to a guy, and they have the most incredibly night of their lives, the guy could beg the girl for her number and then still not call? In Forrest's case, it may have to do with him being traded to an American team days after they met? Maybe. So, when Lexi returns home and gets a dream job offer dependent on getting an interview with him, what is she to do? Could this be a second chance at love? Or will that get ruined when, after again staring at his cocky ass, things "get complicated" in a restaurant bathroom... and everyone hears them... and posts it on social media? Yikes! Forrest Wolf Forrest was the biggest thing in baseball... during college. In the majors, he partied his way into being a bust. But then he went to Japan, cleaned up his ways and became a star. So, why is it that when he is then made the face of Portland's new team, he again crashes and burns? It's because Forrest has a huge secret. His name is Bradley Morrow and he is the sexy billionaire owner of Forrest's new team. Before Forrest knew who he was, the two hooked up. Now Forrest can't get his off-limits boss out of his mind. Was that what went wrong between Forrest and Lexi? Maybe. Could he explain that to Lexi, who has amazingly reappeared in his life? And, would Lexi mind pretending to be his girlfriend to convince his boss that their night together meant nothing to him? Forrest has never fallen in love with a guy before. And, as sexy and charming as Bradley is, Forrest needs to keep a tight grip on his heart. Bradley Morrow Ley believes that the fastest way to make a billion dollars is to find someone with a great mind. And, the fastest way to lose a billion dollars is to find someone with a great body. Not only does his star player have the best body he has ever seen, but so does his sexy girlfriend Lexi... that is if she really is his girlfriend. Whatever is going on between those two, Ley knows that they are both off-limits. He's Forrest's boss, after all. Could the three of them even attempt a secret relationship with the whole world watching? On the other hand, what's the use of having all of the money in the world if you don't have love? 'Her Best Bad Decision' is a very steamy, very funny, ultra-high heat standalone bisexual menage romance with explicit MF, MM, MFM and MMF scenes. Contains a not-to-be-missed HEA ending!

I'm a prisoner to their male desires. I was stuck in a throwaway job at place called the Second Star Diner. It was everything you wish it wasn't: greasy, dirty, and with too many gross guys leering at me. But after the Second Star was held up by criminals, I was whisked away by my captors to a completely different setting: The Billionaires Club. Working at their elite underground bar, I was expected to do all the usual waitress things. Wear glittery outfits. Clean up questionable goopy spills. And keep the dominating alpha males happy by any means necessary. The problem is that I've fallen in love with one particular billionaire: Mr. Carmichael. I shouldn't feel this way. After all, they're forcing me to work here. But Mr. Carmichael's got me twisted around in the best way possible, and now it's too late because I'm having the alpha male's baby. Hey Readers - Can anyone say va-va-voom? This is the Billionaires Club at its finest So many people wrote us begging for more of the Claiming Her series that we had to keep going! As usual, the story's off the charts crazy and taboo, so keep a drink close by to cool down! You'll love it, we promise xoxo Cassie and Sarah

Karlie: When my mom married Jerry McKesson, I thought my life was over. Jerry's twin sons, Colt and Cain, are insufferable, rude, and arrogant, not to mention football stars. My quiet life as a photographer has been upended because now, I live down the hall from two gorgeous men who do whatever they want. They bring friends over late at night, blast music until the crack of dawn, and of course, there's an endless stream of floozies. The banging noises at night? The creaky headboard and breathy, soundless moans? The twins live to torment me, even if I secretly want to be the object of their affections. Colt: My brother and I couldn't believe it when we met our new stepsister. Karlie was curvy, unassuming, and totally innocent. We figured our nightly escapades would shock the socks off her but looks definitely lie. One night, we take a trip to the big city to "make it rain" with our football buddies. It's a pre-game tradition: we hit up local joints looking for pretty girls, and then toss bills for good luck. But when the curtain pulls apart at a particularly seamy club, suddenly the beautiful woman on the stage makes our jaws drop. Are our eyes deceiving us, or have we just unveiled a shocking secret about our shy stepsister? Hey Readers - You'll love this steamy romance because of its crazy twists and turns! Karlie, Cain and Colt face uphill battles but of course, the trio come out winners in the end. You'll love it, I promise! Xoxo, Cassie

I'm expecting my stepbrothers' babies! Kyleigh: Years ago, my mother married the twins' father. Roman and Ryder, my new stepbrothers, were rude, arrogant, and embarrassed me in front of the entire lacrosse team. I wanted the floor to swallow me whole. But when I return to little Farmingdale for our high school reunion, everything changes because the twins look at me with new eyes. They appreciate my curves, and there's electricity flowing in the air. The problem is that after one fateful night, I'm pregnant with their children. I'm expecting twins ... and my stepbrothers are my babydaddies. Roman: We never meant to get her pregnant. But Kyleigh's changed a lot. She used to be a tall, skinny beanpole with an awkward gait and coke bottle glasses. The woman who showed up at our high school reunion was completely different: she was sassy and shapely, with curves that made our mouths water. It was never supposed to happen, but her allure was too strong. Kyleigh's now pregnant with our twins, and my brother and I are going to find some way to make this work even if it costs us everything. Note to my readers: Hot hot hot! Lose yourself in this dramatic tale of a girl who finds herself pregnant with twins by her twin stepbrothers. As always, keep a cool glass of lemonade on hand because you'll be sweating with excitement by the end. Love, Cassie
