Tasha - I knew Noah Abramovich was trouble the first time our eyes locked. I was sixteen that summer. Sitting by the pool eating an ice-cream I can still remember how it melted over my fingers and dripped onto my thighs as I stared back at him. It wasn't just his Greek god

looks, the animalistic Alpha attitude, or his tall, powerful muscled body - it was the aura around him that screamed, Don't fuck with me. At sixteen I wanted him with the passion of a woman, but mine was a world of unwritten rules. Rules that are worth more than a man's life. I

Online Library
You Dont Own

didn't need anyone to tell me that he was everything I could not have. He never looked at me again, but I watched him from afar. I could tell there were deep secrets that kept his smile hidden. Dark and mysterious he seemed to fear no one, not even my father. A man he

Online Library You Dont Own

should have. One I
feared greatly. As the
years passed, the
afternoon when time
stilled became as
unreal as a dream. I
am twenty-two now
and in six months I
will be married to a
man my father chose.
I will do my duty and
bring respectability
to my father's
dynasty, but before I

give myself to that man, I must have a taste of the forbidden. Just one night with the man of my darkest fantasies, so I don't lie on my deathbed, and regret that I never reached out and took the one thing I wanted most in life. But will it heal or destroy me? Noah.

who I am. If the
pretty princess has
the courage to walk
into the lion's den,
I'm sure as fuck not
going to pass on a

Why the fuck
wouldn't I? I've been
lusting after it for
years. Right here,
right now, she is in
my world, and she'll

When Carter Bryant began designing what would become the billion-dollar line of Bratz dolls, he was taking time off from his job at Mattel, where he designed outfits for Barbie.

Later, back at Mattel, he sold his concept for Bratz to rival company MGA. Law professor Orly Lobel reveals the colorful story behind the ensuing decade-long court battle. This entertaining and provocative work pits audacious MGA against behemoth Mattel, shows how an
