Democratic dilemmas of teaching service-learning : curricular strategies for success. [Christine M Cress; David M Donahue;] -- Recognizing that teaching, in general, and service- learning, in particular, are inherently political, this book faces up to the resulting predicaments that inevitably arise in the classroom.

## **Democratic dilemmas of teaching service-learning ...**

If the goal of service is to promote more vital democratic communities, what should the student do? What should the professor do? How do they untangle competing democratic values? How do they make a decision about action? This book addresses the teaching dilemmas, such as the above, that instructors and students encounter in service-learning courses.

## **The issues - Democrats**

We are sending detailed questionnaires to every Democratic campaign asking for their stances on various issues, and supplementing their answers with past positions and public statements.

## **Policy 2020: Where Democrats stand on political issues ...**

The Democratic Dilemma of American Education draws on contemporary research in political science and education policy to offer remarkably balanced insights into these challenging issues. Expertly navigating through local, state, and federal layers of education policy, Arnold Shober examines contemporary controversies over education governance, teachers unions and collective bargaining, school funding, school choice, academic accountability, and desegregation.

After leaving democratic education, they may struggle to settle into the typical employment structure which is less flexible, and where tasks are laid out for employees who are expected to fulfil a certain role. School committees clash. At democratic schools, committees consisting of children, staff and parents typically make decisions.

## **Does democratic education lead to disadvantages?**

Allen Koshewa conducted research that highlighted the tensions between democratic education and the role of teacher control, showing that children in a fifth grade classroom tried to usurp democratic practices by using undue influence to sway others, much as representative democracies often fail to focus on the common good or protect minority interests. He found that class meetings, service education, saturation in the arts, and an emphasis on interpersonal caring helped overcome some of ...
