At KeepRite® heating and cooling, we design our products to give you the best in quality, energy efficiency and reliability. Each unit is 100% run tested.

HVAC | Heating and Cooling | Keeprite®

The average cost of a KeepRite furnace is between \$2,800 and \$6,000 including installation. Some units can come to be a bit more expensive, but that's typically due to the extended warranty added on top of the sale price. Most furnaces come with a 10-year warranty for unit replacement, and a lifetime warranty on heat exchange parts.
