Myths of Free Trade : NPR

The subject of widespread attention when first released, including the pages of the New York Times Book Review. Myths of Free Trade provides a front-row seat to the Washington spectacle of corporate lobbying and political intimidation that keeps the free-trade mantra alive as American policy, despite all the evidence of its failure. U.S. Representative Sherrod Brown—a leading progressive voice in Congress and a twelve-year veteran of Washington's trade wars—takes apart free-trade dogma ...

Amazon.com: Customer reviews: Myths of Free Trade: Why ...

The reason is that there is a sense in which free trade is welfare- improving relative to restricted or no trade, but the underlying economic argument is nuanced. Simply put, what economists mean when they say that free trade is superior to restricted or no trade is that the winners for free trade win by more than the losers lose.

Misconceptions about free trade and globalization ...

Put simply, free trade is a myth.". According to Lynn, the main reason people promote this "myth" is to push the idea that "government should not regulate the large corporations that run ...
